

January 29, 2013

Thank you for attending the detour open house for CSSTP-0006-00(864), P.I. No. 0006864, the proposal to improve the safety and operation of the five leg intersection of SR 154/Cascade-Palmetto Highway at CR 1376/Cedar Grove Road and CR 1374/Ridge Road. In this handout package you will find a project description with the proposed detour route, detour/project location map and comment card.

As you enter the room, you will notice displays of the project with the proposed detour route. Georgia Department of Transportation (GDOT) representatives, who can be identified by the nametags they are wearing, are available to discuss the detour route and answer your questions. Please take this opportunity to discuss the proposed detour route with a GDOT representative. There will be no formal presentation.

A court reporter will be available for those persons who would like to make a verbal statement about the project. You may also complete a comment card and deposit it into the box provided here, or send in written comments about the detour route until February 12, 2013. Written comments should be sent to Mr. Glenn Bowman, P.E., State Environmental Administrator, Georgia Department of Transportation, 600 West Peachtree Street NW, 16<sup>th</sup> Floor, Atlanta, GA 30308. Comments can also be made via the web at [www.dot.ga.gov](http://www.dot.ga.gov). Click on **Public Outreach** from the **Information Center** dropdown menu at the top right side of the page. All comments will be made a part of the project record. We hope you will take advantage of one of these opportunities to let GDOT know your view of the proposal.

The displays and plans will be available for review for ten days after the detour open house at the Georgia Department of Transportation, District Seven Area Three Construction Office located at 4125 Roosevelt Highway, College Park, Georgia 30349. A copy of all comments received will be available for public review at this same location and at the Georgia Department of Transportation, Office of Environment Services, 600 West Peachtree Street NW, 16<sup>th</sup> Floor, Atlanta, GA 30308, as soon as compilation is completed.

Again, thank you for attending this detour open house and for giving us your comments. If you should have any questions or need additional information, feel free to contact the project manager Merishia Robinson at (404) 631-1151 or Cindy Treadway at (404) 631-1979 of the Office of Environmental Services.

Sincerely,

  
Genethia Rice-Singleton *for*

**SR 154/Cascade-Palmetto Highway at CR 1376/Cedar Grove Road and CR  
1374/Ridge Road Intersection Improvement  
Project CSSTP-0006-00(864)  
P.I. No. 0006864/Fulton County**

**Project Description**

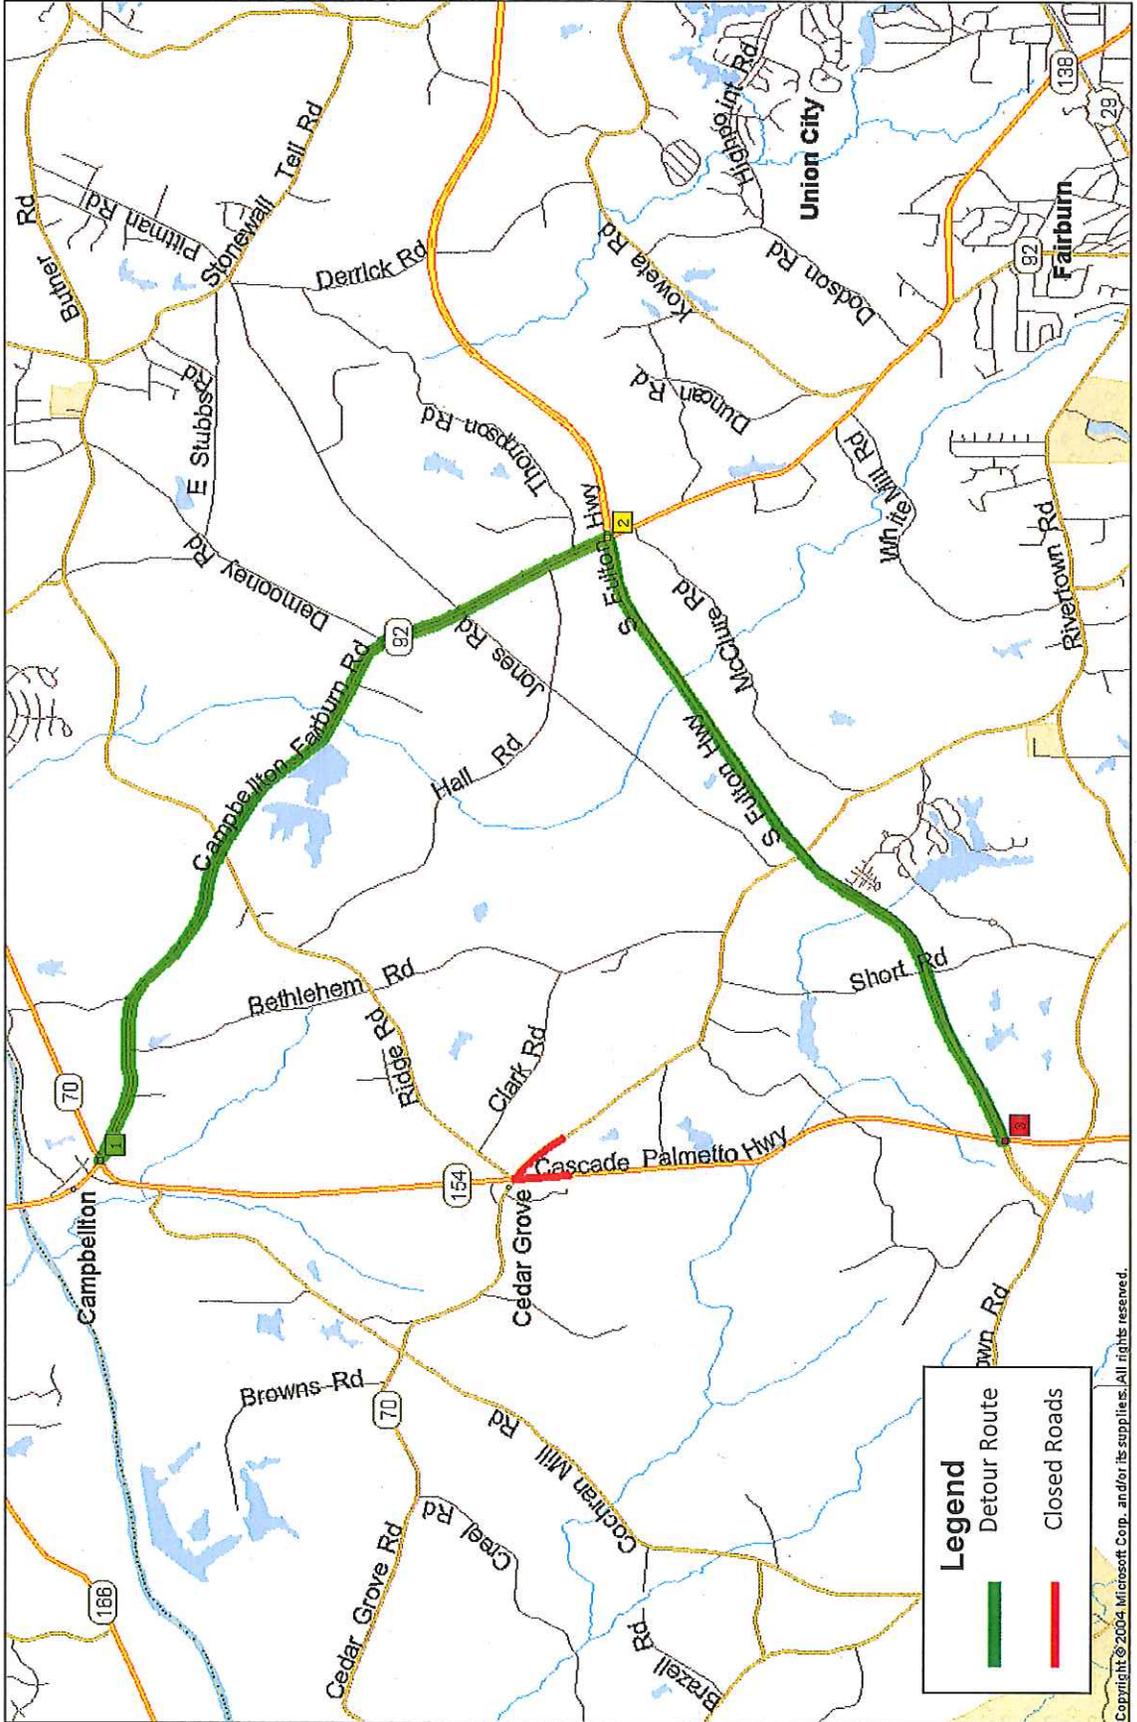

The proposed project would improve the safety and operation of the five leg intersection of SR 154/Cascade-Palmetto Highway at CR 1376/Cedar Grove Road and CR 1374/Ridge Road. The existing intersection will be shifted north of its current location with the east approach of CR 1376/Cedar Grove Road teeing into SR 154, just south of the proposed roundabout. CR 1374/Ridge Road and CR 1376/Cedar Grove Road (west approach) will intersect SR 154 at the proposed roundabout. SR 154/Cascade-Palmetto Highway will consist of two 12-foot lanes with 6.5-foot paved shoulders and a 14-foot left turn lane south of the roundabout for the east approach of CR 1376/Cedar Grove Road. CR 1376/Cedar Grove Road and CR 1374/Ridge Road will both consist of two 11-foot lanes with 2-foot paved shoulders. The east approach of CR 1376/Cedar Grove Road will also have a 12-foot channelized right turn lane.

A cul-de-sac is proposed along Old Ridge Road, eliminating the existing intersection with SR 154/Cascade-Palmetto Highway.

At the roundabout, the shoulders for SR 154/Cascade-Palmetto Highway, the west approach of CR 1376/Cedar Grove Road and CR 1374/Ridge Road will transition to an urban shoulder with 30" curb and gutter, 2-foot stamped concrete, 5-foot sidewalks and curb cut ramps to allow for pedestrian accommodations.

**Detour Route**

A detour would be in place from the intersection of SR 154/Cascade-Palmetto Highway at SR 92/Campbellton-Fairburn Road to the intersection of SR 154/Cascade-Palmetto Highway at South Fulton Parkway. The detour route would continue on to SR 92 at South Fulton Parkway to South Fulton Parkway at SR 154/Cascade-Palmetto Highway. If departing SR 92 from SR 154/Cascade-Palmetto Highway proceeding southeast 4.7 miles to S. Fulton Highway proceeding southwest 3.9 miles, this would conclude the detour route. The detour is 8.6 miles and takes approximately 9 minutes to travel. Other routes may appear shorter and probably will be utilized by the local public. However, this detour will be the signed route because the shorter routes are not on the state route system.
