

Detour Open Houses

SR 9 Road Widening Projects

These projects propose to widen SR 9 from Windward Parkway in Fulton County to just north of SR 20 in Forsyth County from two lanes to a median-divided four lane roadway with the addition of pedestrian facilities. Come view the project displays and proposed detours, ask questions, and give us your comments! There will be no formal presentation. Please drop in at any time between 4:00pm and 7:00pm. The same information will be presented at both open houses.
