BUDDY GRATTON, P.E.  
DEPUTY COMMISSIONER  
(404) 656-5212

EARL L. MAHFUZ  
TREASURER  
(404) 656-5224

December 7, 2006

Thank you for attending the public information open house for CSNHS-0008-00(274), P.I. No. 0008274, the proposed I-75 Southbound Auxiliary Lane from Eagles Landing Parkway to I-675 in Henry County. In this handout package you will find a project description, location map and comment card.

As you enter the room, you will notice displays of the proposed project. Department of Transportation (DOT) representatives, who can be identified by the nametags they are wearing, are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with a DOT representative. There will be no formal presentation.

A court reporter will be available for those persons who would like to make a verbal statement about the project. You may also complete a comment card and deposit it into the box provided here or send in written comments about the project until December 18, 2006. Written comments should be sent to Mr. Harvey D. Keepler, State Environmental/Location Engineer, Georgia Department of Transportation, 3993 Aviation Circle, Atlanta, Georgia 30336-1593. Comments can also be made via the web at [www.dot.state.ga.us](http://www.dot.state.ga.us). Click on **Public Outreach** from the list of Featured Links. All comments will be made a part of the project record. We hope you will take advantage of one of these opportunities to let the Department know your view of the proposal.

The displays and plans will be available for review for ten days after the public information open house at the Georgia Department of Transportation Griffin Area office, located at 1001 Highway 19 South, Griffin, GA 30223. A copy of all comments received will be available for public review at this same location and at the Office of Environment/Location, 3993 Aviation Circle, Atlanta, GA 30336-1593, as soon as compilation is completed.

Again, thank you for attending this public information open house and for giving us your comments.

Sincerely,

A handwritten signature in black ink that reads "James B. Buchan".

James B. Buchan, P.E.  
State Urban Design Engineer

**PROJECT DESCRIPTION**  
**CSNHS-0008-00(274), Henry County**  
**P.I. No. 0008274**

The proposed project would begin at the Interstate 75 (I-75) Southbound exit ramp to Eagles Landing Parkway and end at the end of the double-lane taper from the Interstate 675 (I-675) Southbound ramp to I-75. The proposed project would add a southbound auxiliary lane from where the southbound traffic lanes taper from four lanes to three lanes and would travel to the next interchange at Eagles Landing Parkway. The proposed alignment would be deflected into the median through the Walt Stephens Road overpass due to the limited outside horizontal clearance at that location. The I-75 bridge over Flippen Road would be widened to accommodate the additional lane.

In addition, the project would construct two noise barrier walls along the west side of I-75 within the existing right-of-way. Noise Barrier A would begin approximately 3,030 feet south of the Walt Stephens Road Overpass and proceed north for approximately 3,000 feet. Noise Barrier A would vary in height from 18 feet to 30 feet. Noise Barrier B would begin just north of the Walt Stephens Road Overpass and proceed north for approximately 1,460 feet. Noise Barrier B would vary in height from six feet to 30 feet.

The proposed project length is approximately 7,517 feet (1.42 miles). All work would take place within the existing right-of-way.
