Public Information Open House

P.I. No. 0009542, DeKalb County

Interstate 20 (I-20) Eastbound from I-285 to CR 5150/Panola Road – Collector Distributor System

Thank you for attending the public information open house for the above-listed project. The project proposes to construct a collector-distributor (CD) system on I-20 in the eastbound direction from I-285 to CR 5150/Panola Road. In this handout package you will find a project description, location map, traffic data showing travel time savings and speed improvements from the Build alternative, and a comment card.

As you enter the room, you will notice displays of the proposed project. Department of Transportation (DOT) representatives, who can be identified by the nametags they are wearing, are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with a DOT representative. There will be no formal presentation.

A court reporter will be available for those persons who would like to make a verbal statement about the project. You may also complete a comment card and deposit it into the box provided here or send in written comments about the project until November 28, 2009. Written comments should be sent to Mr. Glenn Bowman, P.E., State Environment/Location Engineer, Georgia Department of Transportation, One Georgia Center, 600 West Peachtree Street, NW, 16th Floor, Atlanta, Georgia 30308. Comments can also be made via the web at www.dot.ga.gov. Click on **Public Outreach** from the **Information Center** dropdown menu at the top right side of the page. All comments will be made a part of the project record. We hope you will take advantage of one of these opportunities to let the Department know your view of the proposal.

The displays and plans will be available for review for ten days after the public information open house at the Georgia Department of Transportation Area 1 Office, located at 805 George Luther Drive, Decatur, Georgia 30032. A copy of all comments received will be available for public review at this same location and at the Office of Environment/Location, 600 West Peachtree Street, NW, 16th Floor, Atlanta, Georgia 30308, as soon as compilation is completed.

Again, thank you for attending this public information open house and for giving us your comments. If you should have any questions or need additional information, feel free to contact the project manager Ms. Marlo Clowers, P.E., Office of Innovative Program Delivery at (404) 631-1713 or Ms. Melanie Nable, Office of Environment/Location at (404) 631-1174.

Sincerely,

Handwritten signature of Darryl D. VanMeter in cursive.

Darryl D. VanMeter, P.E.
State Innovative Program Delivery Engineer
