

February 28, 2012

Thank you for attending this noise wall community meeting for the I-285 at SR 155/Flat Shoals Road interchange project in DeKalb County. In this handout package you will find a project location map and a comment form. The objective of this meeting is to seek comments from the affected property owners and tenants to help determine whether it is reasonable to provide noise abatement in this area.

You will notice aerial displays of the study area which show estimated locations of the proposed noise walls and other additional information. Georgia Department of Transportation representatives, identified by their name tags, are available to discuss the project and answer your questions about noise walls or any other question you may have. There will be no formal presentation.

As a convenience to you, we have provided a number of different ways for you to give us your comments on this project. A court reporter is available for those persons who would like to make a verbal statement about the noise walls or the project in general. You may also complete a comment card and deposit it into the box provided here or send in written comments about the project until the comment period ends on March 9, 2012. Written statements may be submitted to me at the following address:

*Glenn Bowman, P.E.
State Environmental Administrator
Georgia Department of Transportation
One Georgia Center
600 West Peachtree NW
Atlanta, Georgia 30308*

Comments may also be emailed to keijackson@dot.ga.gov or kmatthews@dot.ga.gov or by calling Keisha Jackson, GDOT Office of Environmental Services, at (404) 631-1160 or Karyn M. Matthews, Office of Program Delivery, at 404-631-1584. All comments will be made a part of the project record.

The displays used at the meeting will be available for review online at www.dot.ga.gov. Click on Public Outreach from the Information Center dropdown menu at the top right side of the page. They will also be available at the GDOT District 7 DeKalb Area Engineers Office located at 805 George Luther Drive, Decatur, GA 30032. Again, thank you for attending this noise wall community meeting. We look forward to receiving your comments.

Sincerely,

A handwritten signature in cursive script that reads "Glenn Bowman".

Glenn Bowman, P.E.
State Environmental Administrator
