|--|--|
| Project Name: | CR 1385/Bufington Road @ Morning Creek Tributary Bridge Replacement |
| Project Number: | BRSLB-9075-00(007) |
| P.I. Number: | 742976 |
| Project Length: | 0.23 miles |
| Project Termini: | Begins 600' south of the Morning Creek Tributary stream crossing of CR 1385/Bufington Road and ends 600' north of the stream crossing. |
| Estimated Costs: | Construction = \$1,711,800 Right of Way = \$630,000 Utilities = \$ 0 |
| Proposed Schedule: | Begin R/W Acquisition. = FY 2011 Begin Construction = FY 2012 |
| Construction Time: | Approximately 18 months |
| Right of Way | # of potentially affected parcels = 7 # of potential displacements = 0 Commercial = 0 Residential = 0 |
| Proposed Typical Sections: | <u>CR 1385/Bufington Road</u> – 2 12' lanes with 8' rural shoulder of which 6.5' is paved |
| Speed Design: | 45 MPH |
| Traffic Projections: (ADT) | (2012) 7,500 / (2032) 11,150 |
| Accident History: | CR 1385/Bufington Road <u>2006/2007/2008</u> 5 / 1 / 4 Total accidents within the project area. |
| Accident Rates Comparison: (Accident rate averages for the 3 years compared to statewide rate averages for the 3 years.) | 0.97 X statewide average (of 192.3 per 100 MVM) |
| Other Projects in the area: | 753052 CR 1384/Flat Shoals Rd from I-85 to Old National Hwy – Add Median (LR) 0006332 I-85 FM Camp Creek Pkwy to SR 74–ATMS Communic/Surveillance (under CST) 0008394 SR 138 @ CR 1385/Bufington Road (programmed – no schedule) 0006913 CR 1505/Oakley Industrial Blvd Fm Fayetteville Rd to SR 138 (Let 5/15/2012 CWP) 0007842 I-85 @ SR 138/Jonesboro Road (programmed - no schedule) |
